HIGHER SCHOOL CERTIFICATE EXAMINATION APPLICATIONS DUE TO ILLNESS OR MISADVENTURE

Information Guide for Students

The Board of Studies, Teaching and Educational Standards NSW (BOSTES) Illness/Misadventure program assists students who:

• are prevented from attending an examination (including a practical examination) due to illness or unforeseen misadventure, or
• consider that their performance in an examination has been affected by illness or misadventure immediately before or during the examination.

If either of the above categories applies to you at the time of the HSC examinations, you will need to complete an Illness/Misadventure form. Before you complete the form you should read the following information carefully. You should refer also to Rules and Procedures for Higher School Certificate Candidates.

Limitations on Applications

The authority of BOSTES is limited to the conduct and presentation of the examinations. This means students may only apply to BOSTES in relation to circumstances that occur immediately before or during an examination, and that affect their performance in the examination.

You cannot submit an application on the basis of:

• difficulties in preparation or loss of preparation time; for example as a result of an earlier illness
• alleged deficiencies in teaching; for example extended teacher absences
• loss of study time or facilities during Year 12
• long-term illnesses such as glandular fever, unless you suffer a flare-up of the condition during the examination
• the same grounds for which you received disability provisions, unless you experience additional difficulties during an examination
• misreading the examination timetable. If you miss an examination, or arrive late to an examination because you misread the timetable, contact your principal immediately. He or she may make a submission to BOSTES on your behalf
• misreading examination instructions
• failure to enter for the examination in the correct course
• illness and/or misadventure in a course that is undertaken as a self-tuition student
• other commitments, such as participation in entertainment, work or sporting events, or attendance at examinations conducted by other education organisations.

If you are unsure whether you are eligible you should ask your principal.
Attendance at Examinations

You should attend every examination if at all possible. Do not miss an examination just because you do not feel able to do your best. The Illness/Misadventure program is designed to support students who perform below their expectations because of illness or misadventure.

If you do not attend an examination and your Illness/Misadventure application is unsuccessful, you will not receive a result in that course. This could mean that you are ineligible for the award of the Higher School Certificate.

BOSTES does not expect you to attend an examination against specific medical advice. If you cannot attend an examination (including a practical examination) because of illness or misadventure, you must notify your principal immediately.

Evidence of Your Illness or Misadventure

It is very important to provide independent evidence with your application. You should seek independent evidence on the same day, either immediately before or after each examination for which you are applying. The documentation you provide must be current, specific to the date and time of the examination, and submitted with the application form. A medical certificate that merely states you were unfit for work/study is unacceptable.

Practical Submissions

(For example, a Visual Arts body of work or Society and Culture Personal Interest Project.)

If, as a result of illness or misadventure, you experience difficulties in completing your practical submission, you must advise your class teacher. He/she will complete Section B of the form.

Performance Examinations

(For example, a Drama performance examination or Language speaking examination.)

If illness or misadventure occurs before the examination begins, and you are still able to attend the examination, notify your principal or Year 12 Advisor before you begin the examination. If you are presenting for the examination at a venue other than your home school, notify an officer of BOSTES.

Before starting your examination, advise the Examiner of your situation. Do not hesitate to approach the Examiner as his/her comments and observations will be important in assessing your Illness/Misadventure application.

In the case of performance examinations, it is not necessary to have Section B of the form completed. The Examiner will complete a report form, and send it separately to BOSTES.

Written Examinations

If you are suffering from illness or misadventure, but are still able to attend the examination, notify the Presiding Officer (the person supervising the examination) when you enter the examination room. If the illness or misadventure occurs during the examination, notify the Presiding Officer at once. Do this at every examination session in which you consider your performance may be affected.

Do not hesitate to approach the Presiding Officer. He/she is there to help you. If you submit an Illness/Misadventure form, the Presiding Officer will need to complete Section B.
YOUR RIGHTS AND RESPONSIBILITIES

It is your right and responsibility to submit an Illness/Misadventure application whenever necessary. If you are incapacitated, an application may be submitted by your parent/guardian or principal on your behalf.

All applications must be submitted on an HSC Illness/Misadventure form.

When completing an Illness/Misadventure form, you should pay close attention to the instructions and complete all relevant sections. Submitting an incomplete form could jeopardise the success of your application.

No section of the form should be completed before the relevant examination has been conducted, or before the due date for practical submissions.

Before signing page 1, read the statements above the signature box very carefully. It is strongly recommended that you sign the form only after you have completed Section A, and after Section C has been completed by an appropriate person.

If Section C is incomplete and you did not attend an examination, you might not receive a result in that course. This could mean that you are ineligible for the award of the Higher School Certificate.

Submitting Your Form

• If your application relates to a written examination, hand the form to the Presiding Officer.
• If your application relates to a performance examination, return the form to the principal of your home school or college.
• If your application relates to a practical submission, hand your form to your class teacher.
• If your application relates to your inability to attend an examination, hand your form to your principal.

In each case you will receive the student acknowledgement slip. Please keep this acknowledgement slip until you have been advised of the result of your application.

The BOSTES Application Process

The BOSTES Illness/Misadventure Panel considers and makes a recommendation on each application on the basis of:

• the Board’s authority in relation to the Education Act 1990, and
• the evidence presented in your Illness/Misadventure application.

The Illness/Misadventure Panel consists of senior education professionals who operate as a team and follow strict procedures. Each application is considered by up to five panel members to ensure that every case is determined fairly and consistently. Complex matters may be referred to an independent medical expert for advice.

You will be notified of the outcome of your application on the same day as you receive your Higher School Certificate results.

If you have any questions about the Illness/Misadventure program that your principal cannot answer, please call (02) 9367 8381 or (02) 9367 8325.

### Student application

I have carefully read the Information Guide for Students, detailing Illness/Misadventure applications and the instructions on this form. I have completed each item on the checklist.

I consider that my examination performance was affected by illness or unforeseen misadventure which occurred immediately before or during the examination(s), as set out above and in Section A of this form.

I declare that all the information I have supplied is true.

I give permission for a medical practitioner appointed by the Board of Studies, Teaching and Educational Standards NSW (BOSTES), or its officers, to obtain further details from any person who has provided evidence in Sections C1 and/or C2, if applicable and considered necessary by the Board.
