PRINCIPAL’S NEWS

Hooray for Hollywood

After 36 years of wonderful dedication and commitment to the teaching of the children of NSW, our Principal Mr Bob Hollywood is retiring at the end of the year. Bob has provided our school with outstanding leadership, vision and support over the past six years. Through his deep understanding, both as a parent of ex-Kirrawee students and long-time member of the community Bob has nurtured the values, learning, programs and relationships that have made Kirrawee such a positive and unique environment to develop our young people. While he will be greatly missed by the whole school community we know that his retirement is well-deserved and wish him a rich and fulfilling new life ahead.

A small farewell by the parent community will be held at the end of the P&C meeting Monday 17 November.

End of Year Reconciliation

As we come to the end of the year all students will be given a clearance form and a statement of accounts to reconcile on Monday 8 December. During this week your child will return equipment and borrowed items to their classroom teacher and have their sheet signed. If all clearance procedures have been completed and the form returned to the Administration Office, students will be issued with their reports on Friday 12 December 2014.

For parents who don’t want their children involved in money matters and outstanding fees, please ensure that prompt payment occurs when clearance process begins and statements of accounts are printed and attached. If you are not paying the voluntary contribution we collect to spend on supporting your child’s learning please indicate and sign this on the statement of accounts. Accounts without this information will not be adjusted.

School Plan 2015-2017

The school is beginning the undertaking of developing our new school plan for the next three years. Parent and community involvement and consultation is an integral part of the process. Steve Smith and Brett Hugo are developing surveys and questionnaires to assist in deciding the direction the school is going to focus on in the next three years. Parents who are interested in contributing to this initial process should attend the final P & C meeting on Monday 17 November 2014.

Year 7 2015

Last week we met the parents of Year 7 2015 in the administration block for a short information evening about what to expect at Kirrawee High School. The night was well attended by parents and they received great information to support their child with a smooth transition into high school.

YEAR 12 Results Morning Tea

As for past years, we will be holding a morning tea in the Library on the last Thursday of term, from 10:00am till 11:00am on 18 December, 2014. All year 12 students are encouraged to attend and meet with their teachers and friends informally for one final event.

Year 12 have been working hard throughout the final examination period. The Learning Centre was opened for the first two Saturdays of the term and students utilised this extraordinary opportunity. Once again our students demonstrated what is unique about Kirrawee, by encouraging, sharing and supporting one another as the daunting prospect of examinations loomed. It was a privilege to witness, firsthand not only the determination with which many worked but also the strength of the relationships between students and staff.

Teachers have worked tirelessly to prepare students for their exams, offering after school lessons all year, holiday workshops, marking a constant flow of essays and providing individual support through the Learning Centre. Having spent a considerable amount of time with Year 12, chatting as they have made endless cups of hot chocolate and eaten their way through at least 5 boxes of biscuits, I can be certain in saying that they have greatly appreciated the support and dedication of their teachers.

We look forward to our annual morning tea with Year 12 after they receive their results.

New School Plan

We are beginning the new 2015-17 School Planning process this term. Unlike previous School Plans, everyone in the school community will take part in developing this new plan, which will cover all aspects of the school. An initial period of consultation will occur with broad surveys conducted with students, parents and staff, to ascertain views on the current state of Kirrawee High and also the future directions for school improvement. This data will then inform our Plan development in formulating a school “Vision Statement” and also our three “Strategic Directions”, which define our key improvements.

We would really appreciate your input and comments. The “survey monkey” link will shortly be emailed to all parents and carers on our school data base. It will take no more than five minutes and there will be an opportunity to include specific comments.

HISTORY

ROME, POMPEII, THE WESTERN FRONT, BERLIN AND NUREMBURG

After 13 months of meticulous planning the day had finally arrived for the 29 lucky Ancient and Modern History students and slightly nervous if not eager teachers to depart for the inaugural History Faculty European excursion. Once the students had settled into their seats and realised that there was a long flight ahead of them to Dubai, selecting the movies that they wanted to watch, playing games and attempting to ‘outwit’ each other in ‘Who Wants to be a Millionaire’ became the order of the day.

We arrived in Dubai in sweltering humidity to meet our connecting flight that would take us to Rome. Upon arriving in Rome and once through customs we met our tour guide from Academy Travel ‘Catherine’ and began the journey to the hotel for a good night’s sleep before embarking on one of the first activities of the tour: visiting the ancient Colosseum.

After the Colosseum the group visited the Imperial city of Ancient Rome before returning to a restaurant for dinner.

The next day we made our away to the Bay of Naples stopping en route at the Australian Imperial War Museum at Cassino for Elizabeth Sparks and the tour group to pay their respects to her great great uncle who gallantly fought at the Battle of Mount Cassino in the Second World War. This was a moving experience not only for Elizabeth but also for the rest of the group.

Moving on the group was looking forward to ascending Mount Vesuvius; weather permitting. Unfortunately en route to the Bay of Naples a lightning storm developed which made ascending Mount Vesuvius dangerous. Finally, we arrived at our hotel where we took the first of many ‘orientation’ walks and then a quick swim in the hotel pool before dinner after which the group sampled real ‘gelato’ in an evening walk.

The next day we met our private coach and Dr Estelle Lazer from Sydney University who was to be our expert guide through the ancient cities of Herculaneum and Pompeii. This part of the trip was particularly important for those students studying Ancient History as the students in their HSC course back at school spend a great deal of time studying ‘what life would have been like for ordinary everyday’ Pompeian’s living in the city prior to the eruption of A.D. 79.

After our extensive tour of the ancient cities of Herculaneum and Pompeii, the Ancient History component of the tour was over and we packed our bags for France. Our destination was the town of Villers-Bretteux; the town so staunchly defended by Australian soldiers in the Great War.

After touring the local museum the official photographer (Rick) insisted on taking a group photo under the sign ‘Do not forget Australia’.

KHS students departing on the History Faculty European Excursion.

KHS students giving everyone the ‘shackers’ outside of the Colosseum in Rome. The ‘shackers’ became a feature of every photo thereafter.
French students are constantly reminded of the importance of the role played by our ‘diggers’ in liberating their town from German occupation in the Great War. The French school which is not dissimilar to our own was indeed rebuilt after the Great War with donations from Victorian students and so they are reminded not only of the bravery of the soldiers in the Great War but also the generosity of the Victorian school children who in the 1920’s financed the school’s rebuilding. It was also a timely reminder to our students the importance of understanding Australia’s history but also the importance of ‘study of history’ in general.

After visiting the Memorial at Villers-Brettonceux the tour was then expertly guided by Brad Manera. The students visited Pozieres, Beaumont-Hamel and Lochnager Crater before coach transfer to Ypres in Belgium from Fromelles. In Belgium students participated in the ‘Menin Gate’ ceremony laying a ‘Wreath of Remembrance for all those allied soldiers with ‘no known grave’. I think all students will have ‘fond’ memories of the town of ‘Ypres’ for the Belgium waffles consumed and the chocolate.

After Ypres in Belgium the tour moved on to Berlin in Germany where students walked through ‘Checkpoint Charlie’, and participated in many walking tours taking in the important sites when the National Socialist (Nazis) controlled Germany. They visited the German Reichstag, Brandenburg Gate, and sections of the Berlin Wall. After visiting all the sites in Berlin as well as picking up the mandatory football jerseys the boys wanted and some other retail therapy for the girls it was time to move onto the medieval city of Nuremberg, the home of the Nuremberg Nazis Party Rallies. The ‘shackers’ was never far out of the student’s mind when a group photo was to be taken and in Nuremberg the ‘shackers’ made its reappearance in photos at the tour of the ‘Imperial Castle at Nuremberg’.

The next day after touring the Nazis Party Rally grounds it was time to visit the actual courtroom where the victorious Allies put Hitler’s henchmen on trial for their crimes against humanity. After touring the memoriam of the Nuremberg Trials and Courtroom 600 along with the Documentation Centre, returning home was starting to play on the minds of all involved in the tour.

The tour had been great, exhausting at times but throughout the tour the students were impeccably behaved and it was most enjoyable to get know the students better ‘out of the classroom’ and as the tour progressed. After dinner on the last night the students presented the tour guide ‘Catherine’ with a small gift for all her great efforts throughout the tour and ‘Rick’ the official photographer. The next morning, students had one final appointment, a brief if not poignant tour of Dachau Concentration Camp, which was very moving before boarding the return flight in Munich for Dubai and then onto Sydney.

Brett Hugo
History Head Teacher
It was wonderful to see so many Year 12 students attend the pre HSC Saturday study days this term. These study days compliment the wide range of supports offered across all faculties. Around seventy students attended each of the Saturdays and all reported finding them to be of great benefit.

This year saw the introduction of the BBQ Breakfast on the first Saturday. Thank you to our year 12 parents Mr Bulloch, Mrs Griffiths and Mrs Dibley for help with the breakfast. Special thanks to Mr Hollywood who was head chef for the morning.

The days aim to alleviate pre exam jitters and create an opportunity for students to come together and spend time studying, going over notes and working through problems in a supportive environment. Every year it is wonderful to see the way in which the Kirrawee spirit is demonstrated by the students as they band together in preparation for the examinations ahead. This year has been no exception; the camaraderie and the encouragement and support they have shown one another has been wonderful.

DANCE NEWS

HSC SUCCESS
2014 is continuing to be a successful and eventful year for the Kirrawee High School Dance Department. In August we had our HSC students sit their practical examinations for Dance. These students have already proved their success by achieving four ‘Callback’ nominations. Congratulations to Isabella De Santis and Georgia Nelson for being nominated for both their Core Performance and Major Study Performance. Nominations for this prestigious event are from the HSC Examiners and these indicate that the student has received full marks in what they presented in the corresponding component for their HSC. This is an excellent result for these students and Kirrawee High School. We are sure this success will continue for these students throughout their exams.

STATE DANCE FESTIVAL
In September the Senior Dance Company and Intermediate Dance Company were chosen to participate their works ‘Slipping Through’ and ‘Like Moths to a Flame’ in the NSW State Dance Festival. This is a showcase of exceptional dance works from schools around the state, and a fantastic opportunity for the students involved to see works from other schools and to gain valuable performance experience. Congratulations to all the students who participated, their performances were outstanding and they were excellent representatives of the school.

SCHOOLS SPECTACULAR
Schools Spectacular is approaching fast and we have 12 Kirrawee High School dancers taking part in the Combined Dance Section representing Kirrawee High School as well as four students performing with the NSW State Dance Companies and Ensembles.

We would also like to make special mention to Jarrod Herrmann who was selected in the NSW Public Schools Schools Spectacular Urban Dance Crew as well as Mariam John Soliman and Emily Leitch who were selected to perform in the Schools Spectacular Ballet Company. Well done!

Overall, the commitment, manners and behaviour of these beautiful dancers throughout the many long rehearsals have been excellent.

If you would like to purchase tickets to see this year’s Schools Spectacular, please follow the link or use the phone number below.

Where: QANTAS CREDIT UNION ARENA (formally Sydney Entertainment Centre)
When: Friday 28 November 12 noon and 7:30pm

**17TH ANNUAL DANCE COMPETITION**

The Kirrawee High School Annual Dance Competition will take place on 9 December during Sport Time. This is a whole school student choreographic event and showcases the dance talents of students Years 7-11.

Be sure you are practising at home to have a well rehearsed routine for the competition.

Head teachers will judge the event and there will be prizes for the winning dances.

Everyone is welcome to participate, but ensure you get an entry form from Mrs Cherrie in the Music Staffroom!

There will also be an evening performance for the public at 7pm to be held in the school hall.

I look forward to seeing you at our last Dance Event for 2014!

**Thank you**

Mrs Cherrie

**Earlier this term, Year 12 Food Technology had an industry visit to Packtum Foods (previously Freedom Foods) at Taren Point as a part of their new studies for HSC on The Australian Food Industry.**

After an early start, we all scrubbed up, put on our lab coats and hairnets in order to enter the food processing factory. Students gained a valuable insight into the processing of UHT milk products and witnessed industrial equipment in action, UHT treatment, tetra packaging, testing processes and computerised control and mechanisation of a food product from processing to pallet wrapping ready for distribution.

We would like to thank Packtum and also the TAS Department teachers who generously gave up their time to transport students to and from the venue.

**Mrs Kim Adelerhof**

Food Technology Teacher
In our last newsletter, we congratulated our students who were involved in the Regional Band who represented KHS at the Opera House. It was brought to my attention, that one student, Yasmin Crestani, did not receive the recognition for this event.

Unfortunately, Yasmin’s name was not on the list given to me. I would like to humbly apologise to Yasmin, and I look forward to her report of their recent trip to China.

CONGRATULATIONS TO THE PHONETICS TRIO

Sutherland Shire Council would like to congratulate ‘The Phonetics Trio’ on being chosen to be a part of the 2015 Australia Day Cronulla entertainment program at Cronulla Beach on Monday 26 January 2015. With over 25,000 attending this event, we look forward to the school showcasing our band’s amazing talent to the local community.

We are so proud of ‘The Phonetics Trio’. Well done!

Whilst we are congratulating students, there are a few more to recognise. Oliver Noakes of Year 7 has had a wonderful year. He is a member of the Male Acapella Group and was also the opening act at the Inaugural “Kirrawee in Cabaret”. Everyone got to hear Oliver’s gorgeous voice and it would appear that we are not the only ones that believe his is exceptional.

Opera Australia has recognised Oliver’s abilities and have offered him a position in the Childrens Chorus for their upcoming production of La Boheme. According to Oliver, there is a further opportunity for him to gain a solo role. We wish him all the best in this production.

Here is a photo of the boys at the Acapella Workshop. Oliver is second from the left.

And the great news does not stop there.

As the sign says, Liam Mulligan and Zacharie Etienne have been selected to be part of the MAKE Composition Project. Only 30 students have been selected from a nomination process with the ARTS Unit.

The boys have the opportunity to work with Paul Rissman, a well renowned composer and conductor from the UK and 40 members of the London Symphony Orchestra.

This is a once in a lifetime opportunity for the boys. As both the boys have selected composition elective in Music Extension, I look forward to seeing what they create.

We are very blessed at Kirrawee High School to have incredibly talented young musicians and singers and it is so good to see them excelling to great heights. Of course, the students work hard at perfecting their skills, but it is also the staff that work hard to find the opportunities in performance and experiences. We try to ensure our junior ensembles have the chance to practise their skills which brings me to a first for Intermediate Stage Band. Since forming in 2014, Intermediate Stage Band have been working hard at preparing a performance list.

On Saturday 25 October, the Intermediate Stage Band did their first professionally booked gig. Thank you to the parents that took some photos whilst the students were performing. Miss Ellie Moroney is the conductor of this ensemble and from all the reports, they did a magnificent job. Not only were there solos a plenty, but Miss Moroney compered the event. Congratulations to Miss Moroney and the Intermediate Stage Band Team.
I look forward to hearing of your next adventures. Don’t forget to book into your diary your next couple of gigs.

Of course, this newsletter could not be published without a little report on the inaugural “Kirrawee in Cabaret”. What a fantastic night! Even though we had some hiccups, the students and staff rallied together to ensure the show must go on.

Armed with a single spot light and three phone lights, the students put on an amazing event to an audience of about 200 people. The proceeds for the night went to the Black Dog Institute and we are pleased to announce that we raised $400.

Some special mentions must be to Jorja Carroll and Aaron Gobby for coming out even though it was the week before their HSC exams.

Oliver Noakes was very brave opening the show, singing a solo and playing piano. It was a great start!

Special mention must go to Hannorah Hay and Emma Barber. These young ladies came to me about 20 minutes before the night began. They told me that they didn’t have any accompaniment, and they weren’t sure what to do.

One of the requirements for this event was that the students had to organise their own groups, with their own accompaniment. As a school that focuses on live entertainment, I felt that this was a great opportunity for the students to step into the real world of entertaining. So, when these young Year 7 ladies came to me with this dilemma, I did what I could to help. I just happened to know the song so I offered to play piano for them. Now, for an older student, this might not be that confronting as they have probably had someone play at the last minute, but these young ladies are in Year 7 and so this was probably very scary. Regardless, we had a very fast run through in the music room 5 minutes before the night started. I have to say, in my years as a music teacher, I have seen a lot of incredible performances but I have never seen two young Year 7 students deal with a situation like this. It was as if we had rehearsed it several times. So I would like to congratulate them for a wonderful performance.

**STATE RUNNERS UP - 2ND YEAR IN A ROW**

Semi Final  KHS (17) defeated Lisarow High (Nil)  
Final  KHS (17) def by Hunter Sport High (2)

For a the second year running, the open boys Baseball team have finished runners up in the NSW CHS competition, being defeated by a red hot Hunter Sports High School in the final at Blacktown Olympic Sports Park.

The boys opened the game with the bat and thanks to a double home run from catcher Ben Tsui, the boys in blue lead 2-0 after the first innings. But unfortunately, that’s as far as it went with Hunter Sports HS showing their class and continually adding to the scoreboard each innings.

Credit to the Kirrawee team, they never gave up throughout the match and fought gallantly right until the last pitch.

Special mention to the outgoing Year 12 boys who have contributed to the past two years of success of the team. They will be sorely missed in 2015: Ben Hunt, Adam Sullivan, Jack Wilkinson and Mitch Wyllie. Thank you for the efforts and memories you have provided KHS sport and well done on the success you have achieved over the years.

A special thank you also to Mr Hunt for taking the boys in his first year at Kirrawee High School. Without his guidance and organisational skills, the boys wouldn’t have been able to achieve the same success they had in 2013.

NATHAN MCCARTHY- STUDENT EXCHANGE

Nathan McCarthy - Year 10, is currently on student exchange in the US for Terms 3 and 4 this year. During his time, Nathan has taken up playing NFL for the school he is attending, Chatfield High and the school football team is the “Chatfield Chargers”.

Nathan arrived in the US having never played NFL and from all reports loves every minute of it. His team trains every afternoon after school from 4.00pm till 7.00pm. The team then plays on a Friday or Saturday night where the whole school attends the game to support.

He is having a great time, enjoying every minute.

Attached are some photos of Nathan playing and training. He is No 91 and plays defence and has also been kicker in a few games. Look forward to hearing about it when he returns in 2015. He might even be able to give Jarryd Hayne a few tips on the game now.

NSW STATE CHEERLEADING CHAMPIONSHIPS

On the weekend of Saturday 6 - Sunday 7 September, five girls from KHS competed in the 2014 NSW State Cheerleading Championships.

Ruby Foster, Brianna Goss, Maddi Griffiths, Victoria Nicholls and Jade Parker-Simpson - all Year 9, were all part of a squad that competed at the championships.

Both senior and open division squads won the state championships. Well done to all!

YEAR 7 GALA DAY

On Monday 13 October, 200+ Year 7 students packed out various venues at the Ridge Sporting Complex for the annual Year 7 Gala Day. Students competed against Gymea, Lucas Heights, Heathcote and Engadine in sports of Oz Tag, Soccer (7-a-side), Netball and Newcombe Ball.

Although the rain put a pause on play after lunch for a short period of time, it did not dampen the attitude and enthusiasm of the students.

All students are to be praised on their efforts and sportsmanship on the day, with all students participating in an enjoyable, friendly manner.

A big thanks to Mr Williamson and Ms Salis’ PASS classes who came along on the day to help coach the Year 7 students at their sports and also help referee the boys Oz Tag.

Also a special mention to all staff that came along and helped: Mr Williamson, Ms Salis, Ms Davies, Ms Botros, Ms Carter, Mr Wang and Mr Whitaker. Without your help, days like this couldn’t run!

SUTHERLAND SHIRE OZ TAG CHALLENGE

Eight teams of students from Years 8-12 competed in the Annual Sutherland Shire Oz Tag Challenge on Wednesday 22 October. Unfortunately, due to the rescheduled day, Year 7 students were unable to compete as a Science Excursion to Taronga Zoo was already organised.

All students represented with outstanding sportsmanship and Kirrawee High School dominated the finals, with 5 out of the 8 teams qualifying for the Grand Finals. Out of the 5, 3 teams finished champions while the other 2 were defeated in very close games.

Congratulations to all players who competed on the day. A big thank you to Mr Williamson, Ms Salis and Ms Davies for their coaching and guidance throughout the day.

Jordan Baker - Young Matildas Football Selection

Congratulations to Jordan Baker who has been selected in the Young Matilda’s team to compete in the U/19 AFC Cup Qualifiers in Vietnam. The Young Matilda’s will play against Vietnam, Hong Kong and Singapore in a bid to advance to the finals of the competition to be held in 2015.

Jordan Baker, who has been instrumental in Kirrawee High’s recent success in the past 2 NSW CHS competitions, plays for Western Sydney Wanderers in the W-League.

Best of luck to Jordy with the upcoming selection and hoping she can help Australia to qualify.
Sienna Doolan - Australian Schools Snowboarding Championships

After her recent success in the NSW Snowboarding Championships, Sienna Doolan has picked up a SILVER medal in the giant salom event. A great achievement from Sienna, competing against students from all over Australia. She also finished 7th in the snowboard cross event.

Leader Sportstar Of The Month Boys Open Cricket

Congratulations to the Open Boys Cricket team who won the “All Schools Team of the Month” award for the month of July.

Well done to all boys involved and coach Mr Mitchell.
