**Commercial Development Applications in Putland Close, Kirrawee**

Following the information I provided in our last newsletter on these development applications the update is that at the Council Meeting on 6th August, 2012 the following took place:

**Proposed Liquor Store at Shop 1** – This application was approved.

**Proposed Pizza Restaurant at Shop 5** – This application was approved but with the opening hours during the week being 9.00 a.m.

At the next council meeting held on 27th August, 2012 a rescission motion was put forward to overturn and reject the previous approval for the Proposed Liquor Store at Shop 1 and I am happy to say that it was carried. Thank you to all in our school community that assisted this decision.

**Year 12 and the HSC**

On behalf of the Kirrawee High school community I would like to take this opportunity to wish all our students undertaking the 2012 HSC a successful outcome from their studies.

With major works in Art, Design and Technology and Music practicals completed and with many students producing outstanding results, across all subject areas in the recently completed Trial HSC, we are sure that this group of students will continue the Kirrawee High tradition of high academic and practical results in the HSC.

An activity day has again been organised for our Year 12 students to celebrate the end of their high school studies. The activity day will be held on the second last day of this term. Students participating will be transported to Jamberoo for a relaxed and fun day.

Our annual Year 12 Graduation Ceremony will be held in the school hall on Friday 21 September commencing at 9.30 a.m. Graduation folios will be presented to all students. The talents of our students will also be showcased through awards, musical items and other performances. Family and friends are invited to attend the ceremony and join us for morning tea afterwards.

---

**P&C and School Council Meetings**

Our next scheduled P&C Meeting is Monday 22nd October 2012
PRINCIPAL’S NEWS continued

**VET Excellence Awards**
Four of our students were presented with VET Excellence Awards by the Sutherland Business Education Network (BEN) last week at a special breakfast ceremony. Our award recipients for each framework were:
- Hospitality - Kalin Anderson and Jaclyn Celarc
- Construction - Lee Butler
- Metals and Engineering - Daniel Lister

**ZONTA Regional Winner**
Rachel Ridge is the 2012 ZONTA winner of the regional final and now progresses to the state final. More details of this achievement will be in the next newsletter.

I would like to wish all our staff, students and their families a safe and happy holiday period.

**Bob Hollywood**
Principal

---

**Sutherland Shire Public Speaking Competition**
Two of our students Ethan Crawshaw and Rachael Wilton were successful at the recent finals of the Sutherland Shire Public Speaking Competition held in the Sutherland Shire Council Chambers. Ethan was the Junior Champion and Rachel the runner up in the Senior Section. Both spoke exceptionally well in both their prepared and impromptu presentations.

---

**Year 12 and the HSC**
We have just over a week to go to end the formal education that began for Year 12 thirteen years ago. The week of graduation is very special and will allow students to reflect with pride on their many achievements.

Congratulations to all students who have completed the performance and the practical components of their HSC subjects. The focus for everyone is now the HSC examinations. It is important to make those final improvements to your essays and extended responses. Make sure you visit the Learning Centre and collect past papers. One problem identified in your trial essays was that you need to write more. Length will only come with timed essay practice. If the next time you attempt an essay under examination conditions is the HSC you can expect to gain fewer marks than your trial result. Practise, practise, practise is the key to success in every subject.

To help students in preparing for the HSC the School Library will be open for three Saturdays during the HSC from 10 a.m. to 3 p.m. It will open on Saturday 13, 20 and 27 October. There will be some staff available during those days.

During the HSC students must arrive no later than 30 minutes prior to the scheduled examination start. During the trials too many students arrived late. In the HSC the exams will start on time and students will be given only the time that is left. If students misread a timetable or miss an examination they have no grounds for appeal.

If a problem emerges during the HSC please contact me immediately. The Board of Studies Illness/Misadventure Form is available either on the Kirrawee website or from me. A doctor will need to fill in the form and you must submit the form within one week of the student’s last examination, and no later than the day of the last HSC examination.

HSC results will be available from 6 a.m. on Wednesday 19 December and the ATAR on Thursday 20 from 9 a.m. The on-time application to register for an ATAR closes on Friday 28 September. It costs $27 if done by that date after that it attracts a late fee. This could mean an additional fee of $147 on top of the $27 if you leave the application until January.

The school invites all Year 12 students to a morning tea on Thursday 20 from 10 a.m. to celebrate results and to provide help with options and the decisions to be made.

I would like to take this opportunity to wish students and their parents the best of luck as they survive together the final hurdle.

LANGUAGES NEWS

Every year August proves to be a very busy time for the Languages Faculty. Year 12 students complete their individual HSC Speaking Examinations and it is summer holidays in Japan so it is the time that we welcome most Japanese visitors.

Congratulations to Year 12 French and Japanese students who tackled their Speaking Examinations with energy, commitment and a determination to succeed. I am confident that every student who graduates from a Kirrawee High Year 12 Languages class can speak in their foreign language at a ten minute interview with confidence, clarity and fluency.

Our sister school exchange program visits are a highlight of our school calendar. Mrs Munro-Laylim organised this year’s visit from Komae High School and it proved to be an outstanding success. I would like to sincerely thank the 24 Kirrawee families of students in Years 10 and 11 Japanese who welcomed the Komae students into their family for nearly two weeks and our students in Years 10 and 11 who did such a great job looking after their Japanese buddies. This exchange program which has now been running at our school every year for 24 years would not be possible without the warmth and generosity of our Kirrawee High community. I would like to express my appreciation also to our Principal, Bob Hollywood for his continued strong support for this program and to our new Deputy Principal, Greg Munsie who enthusiastically joined in the organisation of events.

The students of 8M, guided by Mrs Potter, also welcomed a large group of young Japanese visitors to our school for an exciting one day visit. They provided a really interesting program of Aussie experiences for our guests and were excellent ambassadors for our school. Please see the student reports and photos below.

Bev Steele
Head Teacher Languages

Visit by Komae High School, August 8-24

It was the afternoon of Wednesday, August 8. Years 10 and 11 Japanese students and their families waited anxiously for their new friends from Komae HS (our sister school in Tokyo, Japan) to arrive. Some were reuniting with Japanese friends they had made on the trip to Japan last year, while others were nervously waiting to meet their new friend for the first time.

We all welcomed the lively Komae students as they hopped off the bus. The rest of the day went by quickly as we got to know each other. The days at school were always action packed. The Komae students had many special classes such as cooking, during which they made and decorated Australian themed cakes, drama, and video production during which they made a very entertaining video!

In return, on Culture Day the Komae students showed us their beautiful calligraphy, origami skills and exceptional dance moves and also shared amazing Japanese confectionary with many Kirrawee students.

Our weekends were jam packed with many leisure activities such as going to Symbio Wildlife Park, playing sport, having parties, going sightseeing and doing lots of shopping. Teaching the Komae students useful English phrases and showing them our Australian lifestyle and culture was a wonderful experience.

Thank you to Mrs. Munro-Laylim, Mrs Steele and Mrs Potter for organising the Komae visit and for making it an unforgettable experience. Thank you also to Mr Middleton and to Patrick Lao (Year 12) for these terrific photos.

By Ashleigh Hannon and Sherrie Chung (Year 10)
KASUMIGAURA STUDENTS VISIT

On the 20th of August 8L and I were fortunate enough to have the opportunity to host Year 8 students from Kasumigaura in Japan.

We all met our buddies who arrived at Kirrawee High School at 9.30 a.m. As we shuffled to the front of the school to warmly welcome them, our class was secretly stressing over how to make the right impression, what to say and what they will think of us. But as the Japanese kids got off the bus, they couldn’t stop smiling at us and that’s when the weight lifted off our shoulders and we all realised that we were going to be okay. The girls in 8L couldn’t stop repeating how cute the Japanese girls and boys looked with their short black hair.

After an official welcome, Ami and myself talked about what life as a Year 8 student was like and what studying languages means to us. After getting to know our buddies over recess, we returned to the teachers’ common room where we interviewed each other. We then gave them a tour of the school (which they thought was very impressive) and introduced them to some teachers. Later in the day, we all went on a bush walk in the Grays Point National park which everyone enjoyed.

After our McDonald’s lunch, everyone returned to the teachers’ common room, where there were more speeches. Mr Hollywood said a few words in English, followed by Carol, Tahlia, Rachel and I who said a few words in Japanese. We also presented the Japanese students with certificates and book marks we had made for them. 8L sang ‘Home among the gum trees’ for the Japanese students and they in return sang a song in Japanese for us. Rosie also did a solo, singing ‘I still call Australia home’.

After a rewarding and fun filled day we were all best of friends. This was an awesome experience and everyone’s Japanese has improved as a result. One day I hope to meet my buddies again.

We would like to thank Mrs Potter for organizing such a great day for without her we wouldn’t have had this opportunity.

James Sabbagh and Anna Zavodja 8L
On Thursday, August 16th, the Year 10 Visual Arts class, 10VA5, participated in a painting workshop conducted by Australian painter, Ken Tucker.

Students worked with Ken Tucker in their Visual Arts classroom under the supervision of their teacher. The students spent the whole day at school in Visual Arts and explored the textural qualities that can be created in painting. The aim of the incursion was to develop the students’ painting technique - painting expressively and intuitively while exploring modern painting styles. Ken Tucker demonstrated how to paint abstract, textural images using various photographic references.

Ken Tucker is a successful landscape painter who has exhibited his artworks both in Australia and overseas. He kindly volunteered his expertise as a painter and worked very well with our students. Ken discussed his art practice and demonstrated his skill and technique; he also was very generous with his materials and equipment. Ken Tucker showed students some of his artworks and encouraged our students to work on a collaborative abstract painting with him.

In all, our students had a great day, and really enjoyed working with Ken Tucker and creating art all day.

M. Veljanovski
Head Teacher Visual Arts/Music
Road Trauma Excursions for Year 11 and 10

All of these students attended the Road Trauma Forum held at Allphones Arena Homebush on the 21\textsuperscript{st} and 22\textsuperscript{nd} August respectively. They were part of an audience of over 5,000 senior students from all over Sydney. Firstly, I would like to congratulate the students on their behaviour and the respectful way they approached a very confronting day’s material.

The students witnessed a re-enactment of a road crash with a fatality and other serious injuries as a result of simple distractions whilst driving.

Real ambulances and rescue squads, coroners and the police attend the crash and showed the students the processes and procedures involved. This includes the trauma care of the survivors, the police arrest of the driver and the removal of the deceased. The crime scene investigators also go through their processes.

It was an extremely powerful message that was being sent to our young people and from the feedback it would seem the message was well received.

A special mention to 6 of our Year 11 students who were selected to do interviews and be filmed for a promotional video and the news. Kirrawee was asked to provide these students especially.

Well done Laura Triggs, Matt Elyard, Elysse Kneller, Ryan Ilter, Mitchell Fox, Jordan Delaney and Kelly Johnson.

Jackie Rider
Acting Head Teacher PDHPE

The accident is quite confronting with a very real feel to it, including realistic injuries. The students were then given an hour to stroll the promenade and Arena floor to interact with displays and experience “wheelchair” basketball, resuscitation mannequins, steering a car, rolling over in the cabin of a truck as in an accident and interact with the experts on car and driving safety. They also listened to various speakers with brain injuries from car crashes and how their rehab was managed and how it has changed their lives.
Year 9 and 10 Sport Selections Term 4, 2012

Dear Parent / Guardian,

Students in years 9 and 10 for are now required to select their sport for Term 4.

Due to the poor return of selection forms in previous terms, in which only 29% of Year 10 students returned their form by the due date, students will be required to make their sport selection during mathematics lessons in Week 9 of Term 3.

This information is published in the newsletter to allow you to encourage your child to make a wise decision for their sport selection, especially in regards to the cost of their chosen sport. Students will not be able to change their sport once they have selected it (except under extenuating circumstances).

Please also make note of the following information:

- Term 4 sport choices will commence in Week 2 on Tuesday October 16.
- Students doing Surf Training, Gymnastics and Zumba must pay their term fees by Tuesday November 6, 2012.

Students who have failed to pay their outstanding sport fees from previous terms may be excluded from these sports.

Students in Water Polo, Surfing and Surf Training must also return the permission note supplied by their respective teachers each term before they will be allowed to attend the sport. This is keeping with the Department of Education’s Water Sport Policy.

Thank you for your co-operation and we look forward to an enjoyable term of school sport.

Mark Mitchell – Sports Coordinator

NSW CHS ATHLETICS

The state athletics carnival will be held on September 6-8 at Sydney Olympic Park Athletics Centre. Congratulations to our students that competed at the Sydney East Athletics carnival as part of the Sutherland Zone team that won the carnival.

Kirrawee High has over 30 students in the Sydney East team, including 5 relay teams. Special thanks goes to Karen Herrmann as she prepares our 5 relay teams for NSW glory! Congratulations!
WAVESAILING

Congratulations to Jessica Juretic (Year 11) for backing up from her recent success at the Australian National Wave sailing Titles by winning the 2011-12 NSW State Women’s title against a fiercely contested field.

She competed over a series of 5 weekend competitions up and down the NSW coast to achieve this feat. Wave sailing is the sport of windsurfing in the waves where competitors are scored on a combination of jumps they do off the waves and for the radical and fluid style they use when riding the waves.

Jess will represent NSW in the Australian Championships in October 2012 and

NSW CHS GYMNASTICS

Congratulations to Claire Esdaile (Year 11) on her becoming the NSW State champion in gymnastics. Claire has improved her performance each year at the state championships, culminating in her result of first overall this year. This result included being placed first on the bars and first on the floor.

AUSTRALIAN SCHOOL SWIMMING CHAMPIONSHIPS

Congratulations to Michaela Campbell (Year 10) and Joel Walker (Year 9) for their outstanding performances at the National Swimming Championships.

Michaela picked up 2 gold and 1 silver, and Joel picked up 1 silver and a 4th placing in his relay event.
**SPORT continued**

**GYMEA UNITED W16A – STATE CUP CHAMPIONS**

**Congratulations** Gymea United’s Women’s 16A side that won the Football NSW State Cup back in July.

This team included the following Kirrawee High students:
Taylah Bisshopp, Aleisha Oberg, Megan, Dibley, Jamie Hick, Rachel Holland, Ruby Hills and Ashleigh Twomey.

**TAX DEDUCTIBLE SCHOOL BUILDING FUND**

The Kirrawee High School P & C Building Fund contributions have been very generous again this year. Our total for this year is currently sitting at just over $14,500 – a fantastic effort! We would really like to try and better last year’s total so, if you haven’t contributed and plan to do so, now would be the time.

Remember, the Building Fund continues until the end of the school year. All donations made go toward improving facilities at the school. Better still, all donations are tax deductible.

We would like to take this opportunity to again thank all families who have contributed to the Building Fund this year. Your generosity is greatly appreciated.

Nicola Kelly

**Canteen News**

Please be aware that the weekly canteen specials will now be advertised on the school website.
Former Kirrawee High School teachers Derek Hulme & Joe Hewitt were in London supporting our former Kirrawee High School student Olympians, Nicola Zagame and Alisha McCormack. The Australian Women’s Water polo Team came third in the competition receiving a Bronze Medallion.
School parking in Sutherland Shire

At Sutherland Shire Council we want to try to ensure that no child will be hit by a car while going to or from School, but to keep things safe we need your help. Know the road conditions around your school and teach your children to be safe around traffic.

Schools are areas where there is a lot of interaction between cars and pedestrians; your children. Children are small, hard to see, behave unpredictably, and are extremely vulnerable. Their lack of road experience means it is difficult for them to judge dangerous situations. Boys are twice as likely to be involved in child pedestrian casualties as girls and children 10-14 years have the highest rate of child pedestrian casualties (RTA). You need to take extra care when driving and parking in and around school zones, even when you think there are no children around.

Picking up your children after school - Have a plan

Plan with your child how you will collect them. Where and when you will be after school? Where should your child wait? Make sure they know not to try and get into your vehicle while it is still in traffic, even if you are stopped, they should wait until you have parked. Your school may have some arrangements in place to help you collect your children.

No apologies, no excuses

When it comes to child safety, Sutherland Shire Council makes no apologies for fining drivers who break the law around schools and school zones. If you are caught endangering a child by parking illegally in a school zone you will be fined. Illegal parking in school zones kills children. Parking offences in school zones carry heavier fines and loss of demerit points.

You can find out more about the Australian Road Rules and other road safety information on the RTA website www.rta.nsw.gov.au

Know your Parking Signs and rules

**NO STOPPING**
What does it mean?
You cannot stop in this area FOR ANY REASON.

Why is it there?
To keep sight lines clear for drivers AND children so both have more time to avoid crashes.

**NO PARKING**
What does it mean?
You can stop in a NO PARKING zone for a maximum of two minutes to drop off and pick up passengers. You must stay within three metres of your vehicle at all times.

Why is it there?
To provide a safe place for older children to be set down and picked up without endangering other children.

**BUS ZONE**
What does it mean?
You must not stop or park in a bus zone unless you are driving a bus.

Why is it there?
To prove a safe place for large buses to set down and pick up. Cars parking in bus zones put lives at risk by forcing buses out of “their” safety zone.

Pedestrian Crossings
You must not stop within 20 metres before a pedestrian crossing or 10 after a crossing unless there is a control sign permitting parking.

Why?
To ensure that children can be clearly seen by vehicles approaching the crossing.

Footpaths & Nature Strips
You may not stop on any footpath or nature strip, or even a driveway crossing a footpath or nature strip FOR ANY REASON.

Why?
You could easily run over a child or force pedestrians onto the road to get around you.

Other common rules

Driveways
You may stop over the entrance of a driveway to pick up or set down passengers, but you may not wait there or leave your vehicle unattended.

Intersections
You must not stop within 10 metres of an intersection.

Why?
To ensure that there is a clear view of children crossing the road at the intersection.

Double parking
You may not stop on the road adjacent to another vehicle at any time even to drop off or pick up passengers.

Legislation details from the Australian Road Rules, including all graphics; other sources are the RTA website and the No apologies – no excuses campaign ad. If there is a problem at your school contact Council on 9710 0333. February 2008

**KEGWORTH PUBLIC SCHOOL**

Dear Former Kegworth Student, Parent, Staff or Community Member,

We are pleased to invite you to join us in the celebration of Kegworth Public School’s 125 Year Anniversary!

The official date that Kegworth Public School opened its doors was on Monday 26 September 1887. In 2012, we will be celebrating this event over two days – Thursday 13 September and Friday 14 September. We encourage parents, family, friends and general visitors to come along to our school for either of our celebratory days. The proposed schedules for our 125 Year Anniversary are as follows:

**THURSDAY 13 SEPTEMBER 2012**

- 11:30am – 12:30pm – Guided Tours of Kegworth Public School
  Opportunity for former students, staff or community members to have a look at Kegworth Public School, in the present day – please meet under the covered outdoor area via the Kegworth Street entrance.

- 12:30pm – 1:00pm – Official Assembly
  Our Assembly will take place in the school’s Assembly Hall and will include the unveiling of our 125 Year School Commemorative Artwork & the cutting of our 125 Year Birthday Cake. Entry is via the Kegworth Street entrance.

- 1:00pm – 2:00pm – Visitor Afternoon Tea
  We invite you to stay in the Assembly Hall for afternoon tea, have a chat and reminisce.

- 1:00pm – 3:00pm – Kegworth Historical Display
  Please take the time to view and enjoy our School’s memorabilia in the School Library and Assembly Hall.

- 1:00pm – 3:00pm – P – 6 Student Party
  Join the party atmosphere as our P – 6 students enjoy their party games, activities and jumping castles in the Junior Playground.

**FRIDAY 14 SEPTEMBER 2012**

- 7:30pm – 11:00pm – 125 Year Cocktail Party
  All past and present parents, teachers and past students (18 years and over) are invited to celebrate this milestone at a cocktail party in the school hall. Tickets are strictly pre-purchase only at a cost $30 per person includes a drink, finger food and live Jazz music. Closing date for ticket purchase is: Friday 7 September 2012.

We would love to have you visit our school! More information can be found at kegworth125.com

Panoramic limited edition posters of our 125 Year Commemorative Artwork are available for order at our Thursday & Friday events.

If you know of any other former students, staff or community members, please encourage them to come along as well.

Should you have any memorabilia, we would love to borrow it for the day or copy to an electronic format. Please contact the school via email on kegworth-p.school@det.nsw.edu.au or phone 9569 7320.

We look forward to having you along to our 125 Year Anniversary Celebrations!

Yours sincerely,

Belinda Perih

Principal
